

InsideOutside Dance Registration Form

What is InsideOutside Dance?

InsideOutside Dance was launched in January 2016. We are delighted to give people with a disability the opportunity to develop new skills and performance experience in dance. Our wish is to create an on-going dance school with invited guest artists across a variety of dance forms including contemporary dance, Jazz, Drama, Drumming and Hip Hop. Join us to make our wish become a reality! Together we will create a performance platform where emerging artists with a disability can learn, create, explore and perform a body of work that can tour regionally, nationally and internationally.

When are classes held?

Classes take place at multiple venues in QLD 46 weeks a year, during and after school hours, with workshops at different times during the year.

How much?

Dance classes are - \$17.50 for one class per week for anyone over 12 years of age, classes capped at 16 students.

If doing more than one class per week over the age of 12 all classes \$16 each

Kids classes 7 to 11 are \$20 per 30min session and are capped at 6 students if only a teacher and 8 students with an assistant teacher.

Private classes will be charged at approximately \$70 per 30 min and \$100 per hour dependent on venue rental fees, to be determined by email prior to classes. All private classes are to be organised with management directly, class teachers are not to be approached privately. **All classes are GST free.**

Make-up classes can be done at any of our facilities or our many zoom classes if a class is missed.
